NEWS ITEMS

Staff Notes

Members of the Department of Astronomy staff attending conferences this summer were: Professor Donald A. MacRae, Dr. P. Wellmann, and E. B. Weston, the meeting of the American Astronomical Society in Boulder, Colorado; Professor Helen Hogg, Dr. Wellmann, Mr. Weston, and Dr. J. B. Oke, the Symposium on Astrophysics at the University of Michigan; Professor MacRae, the Conference on Photoelectric Photometry in Flagstaff, Arizona. Papers were presented at Boulder by Dr. Wellmann, Mr. Weston and Dr. W. R. Hossack.

Professor T. F. McIlwraith was appointed by the Minister of Education to serve on the Advisory Board for the Protection of Archaeological and Historic Sites of Ontario. At the first meeting of the Board in May, he was elected chairman.

Professor J. H. Parker represented the University at celebrations of the seven hundredth anniversary of the founding of the University of Salamanca, Spain, in June, and read a paper on "One Hundred Years of Hispanic Studies at the University of Toronto."

Professor G. de B. Robinson gave fifteen lectures at the Seminar of the Canadian Mathematical Congress held at Kingston, and was elected president of the Congress. Professor Robinson is on leave of absence during the 1953-54 Session and will be Visiting Professor at Michigan State College.

Professor C. B. Macpherson has returned from his year in England on a Nuffield Fellowship. In the spring he lectured at the Universities of London and Birmingham and to the Political Studies Association.

Professor A. Brady conducted the seminar on Nationalism and Democracy in the Commonwealth at the Conference on Commonwealth Studies, in Oxford, June 29-July 10.

Professor B. E. Shore was associated with Air Force Intelligence Headquarters in Ottawa, June 15–August 5.

Professor L. I. Strakhovsky attended the Conference of American and Canadian Slavists at the University of Michigan in June, and read a paper entitled "Boris Zaitsev—Poet in Prose." He later taught the summer course in Russian History at Michigan State University.

Dr. V. N. Litwinowicz taught the summer course in Slavic Philology and Russian Literature at the University of Ottawa.

Professor A. M. Fallis attended in August the International Congress of Zoology in Copenhagen and the International Congress of Tropical Medicine and Malaria in Istanbul, where he presented papers in parasitology.

Dr. E. Kuitunen spent some time during the summer in the vicinity of Churchill where she was carrying out investigations in parasitology.

Mr. S. J. Key was in England, Holland, Belgium and France from May until July doing research on "The English and Netherlandish Origins of John Constable's Painting."

Professor R. J. Getty was Visiting Lecturer at the Fourteenth Latin Teachers' Institute at Saint Louis University on June 24 and 25.

Professor F. M. Heichelheim lectured on "Ancient Economic History," "Greek Papyrology" and "Greek Transcriptions" as Guest Professor of the Free University of West Berlin for most of June and July. On July 7 he spoke about Canada in a Berlin refugee camp, on July 14th about "Some New Archaeological Discoveries of Historic Importance" in the British Centre of West Berlin, and on July 20 about "Ancient Economic History and Related Problems" at Giessen University College.

Professor R. J. Williams has been awarded a Nuffield Fellowship and is on leave of absence in England, where he is carrying on research work on the development of the fable in the ancient literatures of the Near East.

Lieut.-Col. L. S. Lauchland, Major W. R. Chamberlain and Captain J. H. Hardy attended the annual C.O.T.C. Conference at Army Headquarters, Ottawa, in May. Major Chamberlain and Captain Hardy were instructors at the Royal Military College, Kingston, for the Army Summer Courses.

Principal H. Bennett represented Victoria University at the Centennial Celebrations of St. Francis Xavier University in September.

Dr. A. B. B. Moore was the guest lecturer at the Lorraine Fellowship, a conference for the ministers of the six Northern Presbyteries of the United Church of Canada, held at South Cobalt from September 7–11. In May, Dr. Moore lectured at Lafayette College, Easton, Pa., and at Cedar Crest College, Allentown, Pa.

Miss K. H. Coburn is on leave of absence and will study in United States and in England on a Guggenheim Fellowship. She is working on the completion of the editing of the Coleridge Manuscripts.

Professor D. P. de Montmollin is on leave of absence this Session.

Professor K. MacLean gave the Sixth Peters Rushton Lecture in Contemporary Prose and Poetry at the University of Virginia, on the subject, "James Thurber."

During his leave of absence, Professor J. A. Irving was visiting professor at the University of Alberta.

Professor Northrop Frye chaired the Twelfth Session of the English Institute held at Columbia University, Sept. 9–12.

Dr. A. E. MacDonald attended the annual meeting of the Ophthalmological Society of the United Kingdom, in London, in April, and presented a paper, "Topical Cortisone—some problems."

Dr. H. L. Ormsby has been appointed chairman of a recently formed committee on Ocular Bacteriology of the Pan American Association of Ophthalmology.

Dr. W. F. Graydon presented a paper on "Rates of Dissolution of Copper" at the joint symposium on "Recent Advances in the Application of Physical Methods to Chemistry" held by the Chemical Institute of Canada and the National Research Council at Ottawa, August 31–September 2.

Dr. P. H. Calderbank read a paper entitled "Heat-Transfer Considerations in the Cracking of the Light Hydrocarbons" at the Thirty-sixth Annual Conference of the Chemical Institute of Canada at Windsor, in June. He spent some six weeks in August and September at Chalk River, working in the Chemical Engineering laboratories of Atomic Energy of Canada Limited.

Dr. W. H. Rapson attended a symposium on the Chemistry of Wood and Wood Constituents, at the XIIIth International Congress of Pure and Applied Chemistry, in Stockholm, Sweden, this July. He also visited pulp mills and pulp and paper research laboratories in Sweden, Finland, Germany, England and the United States.

Professor C. P. Brockett has been elected a Councillor of the Chemical Institute of Canada.

Professor V. G. Smith attended a special four-week course on Semiconductors and Transistor Electronics at the University of Illinois. Attending the course were students from England, France, Germany and Holland as well as from Canada and all parts of the U.S.

Professor G. Sinclair was chairman of the Scattering at the Microwave Optics Symposium held at McGill University in June. Professor Sinclair presented a paper entitled "Antenna Patterns and Diffraction Theory" at the West Coast Convention of the Institute of Radio Engineers, San Francisco, August 17-22.

Professor E. A. Allcut attended and participated in a symposium on "The Utilization of Solar Energy" held at the University of Wisconsin on September 12-14 under the auspices of the National Science Foundation and the University of Wisconsin.

Professor I. W. Smith was elected Vice-Chairman of the Mechanical Engineering Division of the American Society for Engineering Education at the annual meeting at Gainesville, Florida, in June.

Rev. H. F. Woodhouse has been appointed to the Commission of the Canadian Council of Churches for promoting interest in matters of Faith and Order. Dr. Woodhouse has been asked to write the 1956 Lenten Book for the Church of England in Canada.

Dr. Edward Johnson and Dr. Boyd Neel were members of the selection board for the all-Canadian program of music to be held in Carnegie Hall on October 16 under the direction of Leopold Stokowski. Dr. Healey Willan's "Coronation Suite" has been chosen for inclusion in the program.

Dr. Arnold Walter was elected the first president of the new International Association for Music Education at its recent meeting in Brussels.

Professor J. H. Johnson was elected president of the Ontario Dental Association at its annual meeting in May.

Dental faculty members who attended the Northern Ontario Dental Association meeting in New Liskeard, Sept. 11-12, included Dean R. G. Ellis, Dr. J. H. Johnson and Dr. G. T. Mitton. Dr. George Hare and Dr. E. R. W. Bilkey were contributors to the program.

Dr. Gordon Nikiforuk will present a paper on "The Public Health Aspects of Fluoridation" at a section meeting of the Canadian Public Health Association, to be held jointly with the Ontario Public Health Association in Toronto on Oct. 1 and 2.

Drs. R. J. Godfrey, P. G. Anderson and D. M. Tanner will contribute to the program of the Canadian Dental Association annual meeting in Montreal, Oct. 19-21.

Dr. R. J. Godfrey, representative from the Faculty of Dentistry to the Board of Directors of the Royal College of Dental Surgeons of Ontario, was elected vice-president of the Board at its annual meeting in May.

Dr. G. V. Fisk has been honoured by the Canadian Dental Association with an invitation to give the George W. Grieve Memorial Lecture in Montreal on Oct. 19.

Extramural lectures will be given in October by Dr. J. E. Speck before the Brockville and District Dental Society at Maitland and by Dr. M. Lucyk at the Intercounty Dental Society at Kitchener.

Professor J. Finkleman has been appointed chairman of the Labour Relations Board, and is on a year's leave of absence from the University.

Professor C. E. Hendry addressed the Canadian Institute of Public Administration in Saskatoon on "Well-being and the Administration of Welfare." He also gave a paper on "The Use of Group Work in Inter-group Relations" at the School of Education, University of Michigan. In July Professor Hendry gave a series of five lectures on "Human Problems of an Industrial Civilization" at the Canadian Ashram held at Alma College.

Professor J. S. Morgan, assisted by Professor E. Ray Godfrey, directed a special course of training in St. John's, Nfld., for the Welfare Officers of the Provincial Department of Public Welfare. While there, Professor Morgan addressed the biennial Synod of Newfoundland Diocese of the Church of England in Canada, the Provincial Public Health Nurses' Annual Convention and the Provincial Adult Education Conference.

Dr. Albert Rose attended the National Conference of Social Work, Cleveland, in June, and gave a paper on "The Role of the School of Social Work in Recruitment."

Dr. M. G. Ross has returned to the University following one month spent at the Tavistock Institute in London and four months in Israel, on a UNESCO Fellowship for study in the field of the social sciences and their contribution toward the implementation of human rights with special emphasis on social tensions.

Miss Ella M. Howard conducted an Institute sponsored by the Sisters of Saint Martha at St. Martha's Hospital, Antigonish, N.S., June 22-26. The theme for discussion was "The Role of the Head Nurse as Administrator and Teacher."

Misses Florence H. M. Emory and M. Jean Wilson attended the Tenth Quadrennial Conference of the International Council of Nurses held in Brazil in July, Miss Emory as chairman of the Membership Committee of this world organization for the advancement of professional nursing, and Miss Wilson representing District Five of the Registered Nurses' Association of Ontario. Representatives from some forty-six countries attended. Work of former students of the School of Nursing was observed, and first-hand knowledge gained of the leadership afforded in many South American countries by graduates of the School.

Faculty and Department Notes

Emmanuel College Alumni Association held its annual conference September 14-16. The Hon. Lester B. Pearson, Chancellor of Victoria University, was guest speaker at the annual dinner. The guest lecturer of the conference was The Rt. Rev. T. W. Manson of Manchester University.

Dr. P. Wellmann of the Hamburg-Bergedorf Observatory spent the summer at the David Dunlap Observatory as visiting professor in the Department of Astronomy.

A continuation course for dental graduates in Anatomy as Applied to Dentistry was conducted by the Department of Anatomy, Sept. 14-16.

Appointments, Promotions, Retirements

Dr. Boyd Neel, noted British musician, who has been appointed Dean of the Royal Conservatory of Music of Toronto, took over his new post on September 1.

Dr. Barbara A. McLaren has been appointed head of the Department of Household Science. Dr. McLaren has held posts in the Division of Rural Home Research, Texas Agricultural Experiment Station, at the University of Wisconsin, and since 1947 has been associate professor of Home Economics, State College of Washington, Pullman, Wash.

Professor V. W. Bladen has been appointed chairman of the Department of Political Economy to succeed the late Dean H. A. Innis. Professor Bladen has relinquished the directorship of the Institute of Business Administration.

Professor D. F. Putnam has been promoted to the rank of professor and made head of the Department of Geography.

In the Faculty of Arts the following promotions have been announced: to the rank of professor, R. M. Saunders (History) and S. D. Clark (Political Economy); to associate professors: M. W. Bannon and Miss D. F. Forward (Botany); M. W. Lister (Chemistry); J. H. Parker (Italian, Spanish and Portuguese); D. A. S. Fraser

and Miss C. C. Krieger (Mathematics); K. F. M. Helleiner (Political Economy); and A. H. Shephard (Psychology); to assistant professors: F. M. Heichelheim (Classics); G. M. Craig (History); E. L. Fackenheim (Philosophy); and G. Luckyj (Slavic Studies); to lecturers: W. R. Hossack (Astronomy); and Miss J. F. M. Whitaker (Botany).

D. A. MacRae, newly-appointed associate professor in the Department of Astronomy is a University of Toronto graduate with a Ph.D. from Harvard, and comes from the Case Institute of Applied Science, Cleveland.

In the Department of Botany, J. Morgan-Jones has been appointed assistant professor. Mr. Morgan-Jones obtained his M.A. at the University of Manitoba, taught biology at Mount Allison. He has now returned to Canada after four years at the University of Uppsala doing research in mycology under Professor Nannfeldt.

Newly appointed lecturers in the Faculty of Arts are: R. Moyer (Art and Archaeology); J. B. Oke and W. R. Hossack (Astronomy); J. A. Crosby and J. H. Richards (Geography); P. C. T. White (History); W. Dray (Philosophy); K. Buckthought (Physics); and H. C. Eastman (Political Economy).

In University College, the following lecturers have been named: D. Colville, G. Cotter and L. Crompton (English); and J. V. Kinnier-Wilson (Oriental Languages).

Professor I. Gonz  les Llubera of Queen's University, Belfast, will be visiting professor in the Department of Italian, Spanish and Portuguese during the Michaelmas Term. He will also lecture on Spanish Mediaeval Literature in the School of Graduate Studies.

In Victoria College, Dr. Millar MacLure, has been appointed assistant professor of English. Promotions have been announced as follows: Dr. R. K. Arnold to the rank of professor (German); Miss K. H. Coburn to the rank of professor (English). The following sessional appointments have been made: F. D. Hoeniger, lecturer (English); Dr. R. W. Jeanes, lecturer (French); Rev. J. Line, professor emeritus and special lecturer in Ethics. Professor E. J. Pratt has resigned as professor emeritus of English. J. Clague has been appointed Principal of the College of the Churches of Christ, and will lecture in Religious Knowledge. Dr. H. E. Ford, professor emeritus of French, died on August 24, after a lengthy illness.

Rev. W. Prior has been appointed professor of Pastoral Theology and Dean of Residence in Wycliffe College. Rev. Canon J. D. Mackenzie Naughton has been appointed to the Chair of Systematic Theology.

In the Faculty of Music, Robert Rosevear has been promoted to the rank of an associate professor, and John Weinzwieg has been promoted to assistant professorship.

In the Faculty of Dentistry, Dr. D. H. Jenkins has been appointed professor of Orthodontics to fill the chair left vacant by Dr. R. E. Moyers who has accepted a similar appointment at the University of Michigan. Dr. A. A. Antoni has accepted an appointment with the rank of associate professor of Dental Surgery and Anaesthesia. Dr. W. T. Holmes, a member of the Dental faculty staff for thirty-one years, and an outstanding athlete in his student days, passed away suddenly during the summer vacation.

In the School of Social Work, D. V. Donnison has been appointed lecturer with special responsibilities in the development of the School's research program. He is a graduate of Oxford and has been a lecturer in School Administration at Manchester University. Miss H. R. DeMarsh, recently a Field Supervisor with the Ontario Department of Public Welfare, Child Welfare Division, has joined the staff as a special lecturer who will assist in field work administration and teaching in the Human Growth and Development area of the curriculum. Miss DeMarsh is a graduate of Brandon College and has her Master of Social Work degree from the University of Toronto. By arrangement with the Toronto Psychiatric Hospital Miss M. M. Burns, Case Work Supervisor, will teach two courses in case work for second year students. Miss Burns is a graduate of the University of Manitoba and has the Master of Science degree from the New York School of Social Work.

In the School of Nursing, Miss Margaret McPhedran, M.A., has been appointed assistant professor in Nursing; Miss Margaret MacLachlan, B.Sc.N. and Miss Lyaine Sauve, B.Sc.N. have been appointed lecturers in Nursing.

The University of Toronto Press

During the summer the Press participated in many book displays. Books were exhibited at the meetings of the Learned Societies in June at the University of Western Ontario, and at the Canadian Authors' Association convention. University of Toronto Press books were included in the book shop at the Couchiching Conference on International Affairs, the Canadian Mathematical Congress meetings in Kingston, and the Canadian Federation of Convent Alumnae in Halifax, all during August. A display of UNESCO books was set up in Toronto at the international convention of the Associated Country Women of the World, and there was a small display at the meetings of the World Meteorological Association from August 3 until September 15 in Toronto. There was an extensive book display in late August in Ottawa at the annual conference of the Canadian Library Association. The Press has also participated, through the Association of American University Presses, in academic book displays in the United States.

Publications since March, 1953 include:

Highland Settler: A Portrait of the Scottish Gael in Nova Scotia. By Charles W. Dunn. \$4.00

The Meaning of Income in the Law of Income Tax. By F. E. LaBrie. \$15.00

Legal Essays in Honour of Arthur Moxon. Edited by J. A. Corry, F. C. Cronkite, and E. F. Whitmore. \$10.00

A Joint Catalogue of the Serials in the Libraries of the City of Toronto. Edited by Robert H. Blackburn. \$5.00

The Ukrainians in Manitoba: A Social History. By Paul Yuzyk. \$5.00

Bernstein Polynomials. By G. Lorentz. \$5.75

The Spirit of Philosophy. By Marcus Long. \$3.00

The Historical Development of Inclusion Thermometry. By F. G. Smith. \$4.50

Resources for Tomorrow: The Engineer's Stewardship. By Robert F. Leggett. \$25

The World War against Poverty. By F. R. Scott, R. A. MacKay, and A. E. Ritchie. \$75

Imitation & Design. By Reid MacCallum. Edited by William Blissett. \$5.00

Forest Regeneration in Ontario. By R. C. Hosie.

Canadian Historical Review, XXXIV, (1); XXXIV, (2); XXXIV, (3). 75 cents

Canadian Journal of Economics and Political Science, XIX, (2); XIX, (3). \$1.25
